Double Globus Inc. will participate in ALUMINUM USA 2017

The 2017 edition of ALUMINUM USA will be held at the Music City Center in Nashville on October 25th and 26th, 2017.

Double Globus Inc., the US subsidiary of Globus, will be exhibiting at the show with a booth to present its activity in the aluminum market. With aluminum consumption in North America continuing to increase, ALUMINUM USA offers unparalleled business and networking opportunities for the aluminum industry, its customers, as well as its suppliers.

ALUMINUM USA is the platform that brings the aluminum industry together every two years. It represents the entire value chain offering solutions for the aluminum industry and all applications fields. It is the meeting place for producers, processors, suppliers of technologies, buyers, designers and engineers from the entire aluminum industry.
