

GLOBUS LISTED BETWEEN THE 500 CHAMPIONS OF THE ITALIAN SMEs

The study of **ItalyPost**, presented on the Milan Stock Exchange in an event of “**L’Economia**” of the **Corriere della Sera**, lists **Globus** between the 500 Champions of the Italian SMEs (on 1.120.000).

Corriere della Sera issued an article on March 16th where explains that these SMEs constitute the advanced nucleus of the economic recovery: 22 billion of turnover and more than 4 billion of gross profitability. They grow by over 7% a year and have already invested in the crisis years.

Full article and detailed information can be downloaded from the ItalyPost website listed here below (translated by Google):
